

Gateshead School Sport Partnership

Primary School SLA (2020 - 21)

BE PART OF IT.

Building an active and healthy future

Introduction

What is our mission?

Our mission is to build an active and healthy future for all young people in Gateshead. We share a clear, common purpose to do the very best for Gateshead young people, their families and their communities. Our passion and enthusiasm lies in our desire to make a real difference to the lives of the young people in Gateshead both in and through PE and school sport and ensure they all realise their true potential.

Impact

We recognise the role that PE and school sport has to play in teaching young people how to rise to a challenge, nurturing the character and discipline that will help them prepare for life in the 21st century.

PE and school sport is a powerful vehicle for the development of 'character education' which will: build aspiration, enhance employability, increase resilience, raise self-esteem and boost academic achievement.

About This Service Level Agreement

The services in this document have been developed in response to local demand following extensive consultation with Primary Head Teachers, PE Co-ordinators and their pupils. Purchase options have been structured to enable schools to build a tailored SLA package more suited to individual school needs and priorities. Importantly the service is designed to ensure sustainability for this local network irrespective of government funding.

Foundation Services (£2,250 - £2,500)
