Gateshead School Sport Partnership

Academic Year Planner 2020/21

ALTERNATIVE <small>Owing to the impact of Covid-19 activities will differ from those traditionally offered during this period. The majority of activities will be deferred until later in the year or an alternative, 'virtual' format will be provided. A small number of opportunities may be cancelled where a safe and practical alternative is not possible.</small>	TRANSITION <small>Whilst we are hopeful of returning to a more 'normal' way of working during this period, this does of course depend on the situation at the time and the associated government guidelines. In order to ensure adequate planning time for all parties, any alterations to the planned programme will be communicated by Friday 9th October at the latest.</small>	TRADITIONAL - PHASED <small>At the time of communication (Sep 20) plans are in place to deliver a traditional programme of activities from January 2020. Although this will of course depend on circumstances at the time we hope this signals our intent to resume normal service as soon as is practically possible. Additional detail will be provided nearer the time and before Friday 4th December.</small>	TRADITIONAL - PHASED <small>To support decision making and communication, we will break this period down into half term blocks. Any enforced changes to the planned activities will be communicated to schools a minimum of 2 weeks prior to the preceding holiday period (e.g. any changes to the programme after February half term would be communicated by Friday 29th January).</small>
